## PERSONAL INFORMATION

---

Computer Science student majoring in Graphic & Multimedia Technology, with a strong interest in UI/UX design. Seeking a UI/UX Designer Internship (9 March – 21 August 2026) to gain hands-on experience in user-centered design, usability, and interface prototyping while contributing to meaningful digital products.

## EDUCATION

---

**Universiti Malaysia Pahang Al-Sultan Abdullah**

*Oct 2022 - Present*

*Bachelor of Computer Science (Graphic & Multimedia Technology) with Honours*

- **Current CGPA:** 3.91/4.00
- **Awards:** 6 times Dean's List
- **Relevant Coursework:** Problem Solving, Fundamental of Digital Media Design, Human Computer Interaction, Mobile Application Development, Web Engineering

## PROJECT EXPERIENCES

---

### HealthMax

*Figma*

- Designed visual interface screens for a healthcare mobile application prototype used in a pitching competition.
- Participated in the UMPSA x HUAWEI AppGallery Mobile App Competition (Track A), contributing UI designs to clearly communicate the app concept to judges.

### BetrHelp (Academic Project)

*Figma, Android Studio*

- Designed and implemented UI for assigned modules including login, registration, and mood tracking, ensuring visual and functional consistency with team designs.
- Integrated speech-to-text functionality for mood input within the mood tracking module, supporting accessibility and ease of use.

### UMPSA Koop Printing Management System - RapidPrint (Academic Project)

*HTML, CSS, Bootstrap, PHP, MySQL, JavaScript*

- Designed and implemented user interfaces for core web modules including login, registration, package management, branch management (CRUD), and dashboard views.
- Focused on clear user flows and responsive layouts to improve usability and efficiency for administrative tasks.

## EXTRACURRICULAR ACTIVITIES

---

### UMPSA x HUAWEI AppGallery Mobile App Competition

*Sept 2024 – Nov 2024*

Head of Multimedia Department

- Led multimedia team to manage design deliverables, assign tasks, and track progress.
- Ensured timely delivery and smooth workflow by coordinating with team members and organizers.

### MLBB: Rise of Champions Tournament

*Sept 2023 – Nov 2023*

Head of Multimedia Department

- Led design of live streaming UI overlays to improve viewer experience.
- Collaborated with technical team to ensure design feasibility and consistency.

## SKILLS & LANGUAGES

---

**Tools/Design:** Figma, Justinmind, Adobe Illustrator, Canva, Unity

**Technical:** HTML, CSS, Bootstrap, PHP, MySQL, JavaScript

**Languages:** Chinese (Native), English, Bahasa Malaysia
